PROFILE

Finance, Management & Investment student at Walton College of Business with hands-on experience in financial modeling, revenue forecasting, and pricing strategy. Built a revenue-generating company from the ground up, designing its full financial architecture. Bilingual in English and Spanish with a demonstrated ability to deliver data-driven results in analytical environments.

CORE COMPETENCIES

Financial Modeling | Revenue Forecasting | Data Analysis | Budget Management | KPI Development | Cost Analysis | ROI Analysis | Pricing Strategy | Investment Analysis | Business Development | Microsoft Excel | Google Workspace | Process Improvement | Bilingual (English / Spanish)

WORK EXPERIENCE

Founder

April 2025 - Present

Elite Level Scouting LATAM - Santa Cruz, Bolivia

- Designed the full revenue architecture from zero: multi-year payment structures, tiered pricing model, and unit economics framework yielding \$2,200 average revenue per client with positive margin across all active accounts
- Conducted competitive pricing analysis and ROI modeling to validate service tiers; 5+ athletes placed at U.S. universities (NCAA & NAIA), 10+ families in pipeline across Bolivia and South America

Venture Founder, Summer Business Incubator

June 2026 - August 2026

Office of Entrepreneurship & Innovation, University of Arkansas - Fayetteville, AR

- Selected for a competitive university-sponsored program; stress-tested Elite Level LATAM's financial model under structured mentor review, refining unit economics, margin assumptions, and multi-year revenue projections
- Built investor-facing materials including market sizing analysis, revenue scenarios, and a scalability model for the Latin American student-athlete recruitment market

Logistics Intern

December 2025 - January 2026

Trebol Ingeniería y Construcción SRL - Santa Cruz, Bolivia

- Supported financial and operational coordination across 32 active construction projects; designed a Google Workspace system that reduced documentation errors by an estimated 50%
- Maintained Excel-based inventory tracking and supplier cost logs, supporting budget monitoring and variance tracking across simultaneous project phases

Operations Supervisor

January 2024 - May 2025

Fulton-Montgomery Community College Library - Johnstown, NY

- Managed daily operations of a campus lending program serving a 2,000+ student body, maintaining accurate inventory records and ensuring zero asset loss
- Led staff coordination and responded to high-volume student inquiries, improving team efficiency during peak academic periods

TECHNICAL & ANALYTICAL SKILLS

- Financial Analysis:** Financial modeling, revenue modeling, pricing analysis, quantitative analysis, cost analysis, budget management, KPI development, ROI analysis, variance analysis, recurring revenue forecasting
